Ascension Living HOPE

Your stay-at-home alternative

HOPE

Helping you remain safely at home

Ascension Living HOPE is the Program of All-inclusive Care for the Elderly (PACE) provider for Sedgwick County. The program is designed to promote the provision of quality comprehensive health services to older adults.

Ascension Living HOPE assists you and your loved ones to remain safe and independent in the community for as long as possible. This is accomplished through comprehensive, high-quality health and social services tailored to meet the unique needs of each individual.

Our primary care doctors and interdisciplinary team of professionals provide and coordinate all services for you, providing “one-stop shopping” for your needs. Most services are provided in your home and at Ascension Living HOPE.

Comprehensive services

- Day center
- Home care
- Primary medical care
- Medications
- Nutrition counseling
- Personal care
- Medical specialists
- Rehabilitative services
- Memory care
- Social services
- Medical testing
- Wheelchair-accessible transportation
- Dental care
- Vision and hearing services

How do I qualify?

- Be at least 55 years old
- Meet the level of care requirements according to the State of Kansas guidelines
- Live in Sedgwick County
- Be able to live safely in the community without jeopardizing your health or safety
- Agree to receive all services from HOPE staff and its network of providers (participants may be fully and personally liable for the costs of unauthorized or out-of-network services)
